

Skaneateles High School Driver Education

Summer 2017

June 26- August 11

SUMMER DRIVER EDUCATION 2017

We are pleased to announce that we will once again be offering Summer Driver Education this year from **Monday, June 26th**, and will end on **Friday, August 11th**.

Program Details:

1. **COST** – there will be no cost to the students taking this course.
2. **REGISTRATION** – will begin Wednesday, April 26 and end Wednesday, May 3, 2017.
3. **ELIGIBILITY** - any current junior or current sophomore who will be *16 years old by June 26th, 2017 with a learner's permit* may get a registration packet in the Counseling Center.
 - Only those who have returned their completed registration packet to the Counseling Center by the deadline of May 3rd will be eligible for selection.
4. **AVAILABLE SLOTS** – pending final board approval, we will have spaces available for **56** students this summer. We have two New York State certified driving instructors and two vehicles.
5. **SELECTION** – because of the overwhelming interest in this program in the past, we will use a **LOTTERY SYSTEM** to choose the students for the program from the list of those who have returned their **complete** registration packet to school. Priority will given to current juniors (Class of 2018) and any other available spaces will go to current sophomores (Class of 2019).
6. **NOTIFICATION** –all students (and alternates) selected to participate will receive a letter with their car and teacher assignment. The selection into the program does not guarantee the student that they will receive the exact driving slot that they desire.
7. **ATTENDANCE** – due to limited time and strict regulations of the State Education Department and the DMV, attendance is of the utmost importance. Make-up time for class and car sessions will be extremely limited.
 - A student may not be absent for more than one session of class and one session of car time.
 - Absence for a second day will result in immediate dropping of the course regardless of the reason.
 - Students should be certain that they can make the time commitment (see below) to this program before registering.
 - If a student has an inflexible work schedule, then it may be difficult to find a car time that is desired and our Driver Education class might not be a practical option for the student.

- **If students cannot be present for the entire program, they should not register for Summer Driver Education.**
8. **SCHEDULE** – please note that the daily schedule is subject to change prior to the start of Summer Driver Education. However, we intend to proceed with the following schedule:
- Classroom instruction (24 hours minimum):
 - Tuesday, Wednesday, Thursday 9:00-10:30 a.m.
 - In-car instruction (24 hours minimum of which 6 hours minimum are behind the wheel):
 - A fixed 90 minute block, every other day between 7:30 a.m. and 4:00 p.m. Monday thru Friday, **plus some driving times between 9:00-10:30 on Monday and Friday during the normal classroom instruction time**.
 - The car driving times are as follows:
 - Car 1 (and car 4) 7:30- 9:00 a.m
 - Car 2 (and car 5) 11:00-12:30 p.m
 - Car 3 (and car 6) 1:00- 2:30 p.m
 - Car 7 2:30-4:00 Tuesday, Wednesday, Thursday if we have full enrollment
 - Each student will have 90 minutes of class instruction Tuesday, Wednesday, and Thursday, and they will also have 90 minutes of in-car instruction during a set block of time every other day, and some 9:00-10:30 driving times on a Monday or Friday during the normal class time.
 - Every attempt will be made to conveniently schedule driving blocks and flexibility is greatly appreciated and necessary. Only 4 students are placed into each car and obviously some time slots are more popular than others.
9. **FINAL GRADES** – will be included with 1st making period on the report card of the next year.

Upon Completion:

Students who successfully complete the requirements for this course will receive a Student Certificate of Completion (MV285 or 'the blue card'), which includes an Insurance Premium Reduction certificate. Contact your insurance company to see what your discount might be. The Certificate will be available in the main office after August 11, 2017. The MV285 permits a student to obtain a New York State senior license at age 17 (can drive after 9 p.m.). Without completion of a state-approved Driver Education program, a New York State senior license is not issued until age 18.
