

Engineering Pipeline Program (EPP) Application Process

The application process for the EPP is now being done online, so please read and follow this carefully to understand the application process for the program.

Students must take the following steps:

1. On the below site, download the Teacher Recommendation & Essay Question templates, which must be completed and attached to your online application.
 - Located on the National Grid website:
<https://www.nationalgridus.com/Our-Company/Careers/Engineering-Pipeline-Program>
2. Access the National Grid Career site: <https://careers.nationalgridus.com/>
3. Under Search Jobs, type **Pipeline** in the Search Keyword field and click enter. This will populate the EPP program applications.
4. Select the Pipeline program that is delivered in your region (DNY - Melville, NY; UNY - Liverpool, NY; NE - Millbury, MA).
5. Click on **Apply Now**
6. Enter your name, email address and phone number and then click **Submit**
7. Select **Apply Online**
8. Register as a new user and apply for this posting.
9. Please make sure you complete all 12 steps in the application especially the questionnaires. If you do not complete all the steps, your application will not be considered.
10. You may enter your attachments at a later date, but no later than April 15th
11. Attach the following to your online application prior to April 15th:
 - Latest High School Transcript
 - 250 Word Essay & Questions*
 - (2) Teacher Recommendations*

Note: Teacher Recommendation & Essay Question templates are located on the National Grid website:

<https://www.nationalgridus.com/Our-Company/Careers/Engineering-Pipeline-Program>

Please complete the online application process **by April 15th**:

If you have any problems with the online application or have questions, please feel free to contact us at EPP.US@nationalgrid.com and in the subject line type: "EPP Candidate: Last Name, First Name".
