Summer Driver Education 2018

June 25- August 8

SUMMER DRIVER EDUCATION 2018

We are pleased to announce that we will once again be offering Summer Driver Education this year beginning **Monday, June 25th**, and ending on **Wednesday, August 8th**.

Program Details:

1. **COST** – there will be no cost to the students taking this course.
2. **REGISTRATION** – will begin Wednesday, May 2nd and end Wednesday, May 9, 2018.
3. **ELIGIBILITY** - any current junior or current sophomore who will be *16 years old by June 25th, 2018 with a learner's permit* may get a registration packet in the Counseling Center.
 - Only those who have returned their completed registration packet to the Counseling Center by the deadline of May 9th will be eligible for selection.
4. **SELECTION** – because of the high interest in this program in the past, we will use a **LOTTERY SYSTEM** to choose the students for the program from the list of those who have returned their **complete** registration packet to school. Priority will be given to current juniors (Class of 2019) and any other available spaces will go to current sophomores (Class of 2020).
5. **NOTIFICATION** –all students (and alternates) selected to participate will receive a letter with their car and teacher assignment. The selection into the program does not guarantee the student that they will receive the exact driving slot that they desire.
6. **ATTENDANCE** – due to limited time and strict regulations of the State Education Department and the DMV, attendance is of the utmost importance. Make-up time for class and car sessions will be extremely limited.
 - A student may not be absent for more than one session of class and one session of car time.
 - Absence for a second time of either car or class will result in immediate dropping of the course regardless of the reason.
 - Students should be certain that they can make the time commitment (see below) to this program before registering.
 - If a student has an inflexible work schedule, then it may be difficult to find a car time that is desired and our Driver Education class might not be a practical option for the student.
 - **If students cannot be present for the entire program, they should not register for Summer Driver Education.**
7. **SCHEDULE** – please note that the daily schedule is subject to change prior to the start of Summer Driver Education. However, we intend to proceed with the following schedule:
 - Classroom instruction (24 hours minimum):
 - Tuesday, Wednesday, Thursday from 9:30-11 a.m.

- In-car instruction (24 hours minimum of which 6 hours (minimum) are behind the wheel):
 - A fixed 90-minute block, every other day, between 7:45 a.m. and 2:30 p.m. Monday thru Friday, **plus some driving times between 9:30-11:00 on Monday and Friday during the normal classroom instruction time**. (see schedule)
- The car driving times are as follows: (alternate days)
 - Car 1 (and car 4) 7:45- 9:15 a.m.
 - Car 2 (and car 5) 11:00-12:30 p.m.
 - Car 3 (and car 6) 1:00- 2:30 p.m.
- Each student will have 90 minutes of class instruction Tuesday, Wednesday, and Thursday, and they will also have 90 minutes of in-car instruction during a set block of time every other day, and some 9:30-11:00 driving times on a Monday or Friday during the normal class time. (see schedule for a typical week)
- Every attempt will be made to conveniently schedule driving blocks and flexibility is greatly appreciated and necessary. Only 4 students are placed into each car and obviously some time slots are more popular than others.

8. **FINAL GRADES** – will be included with 1st making period on the report card of the next year.

Upon Completion:

Students who successfully complete the requirements for this course will receive a Student Certificate of Completion (MV285 or 'the blue card'), which includes an Insurance Premium Reduction certificate. Contact your insurance company to see what your discount might be. The Certificate will be available in the main office after August 10, 2018. The MV285 permits a student to obtain a New York State senior license at age 17 (can drive after 9 p.m., etc.). Without completion of a state-approved Driver Education program, a New York State senior license is not issued until age 18.

Skaneateles High School
Driver Education Registration Form- Summer 2018

Please make sure that you have carefully read the requirements of the program, and that you are able to commit to the dates and times of the schedule.

Student's Current Grade Level _____

Last Name _____ First Name _____ Initial _____

Address _____ Zip Code _____

Home Phone _____
