

Skaneateles

Central School District

Dear Parent/Guardian:

New York State Education Law requires physical exams of students dated within 12 months prior to the first day of the school year when they:

Enter the school district for the first time and when entering K, 1st, 3rd, 5th, 7th, 9th and 11th grade.

Within all of these grade levels, many students are lacking this required physical. Please be mindful that this is a requirement of New York State Education Law.

If your child received a physical on or after September 5, 2018, please submit to your respective Health Offices immediately as it will suffice this requirement.

If you have an upcoming appointment or an appointment needs to be made, please submit or fax the appointment date to your respective Health Office as well.

Please feel free to contact us using the information provided below if you have any questions or concerns.

Thank you,
Skaneateles Central Schools Nursing staff
