

Tom Lambdin

Since first being elected during the Great Recession in 2010, Tom has worked with seventeen Skaneateles school board members, four district superintendents, and many, many parents, residents, administrators, faculty, and staff members. He and his wife Claudia have two children who completed grades K-12 at Skaneateles and who now attend college. Tom is a Principal Engineer for Baker Hughes in Skaneateles with various US and international patents. After earning his BA from Hamilton College in 1983, he earned an MS in Computer Science from Union College. He is a certified track and field coach and competes regularly as a masters-division hammer thrower.

On the Board, Tom serves on the Audit, Budget & Finance, Strategic Planning, and Policy & Memorial Dedication Committees.
