Dear Skaneateles family,

The purpose of this letter is to communicate several important reminders as we work together on our plans to return to school this September. While we realize COVID-19 has impacted each of our families in different ways, we ask families to commit to their selection by this Friday, August 14 at which point our survey will close. Throughout the summer, many of our families reached out with very specific questions as to what each option might look like for their child. Both the Elementary and Middle/HS Parent Teacher Committees have facilitated Q and A sessions with building principals. As we realize the answers to your questions will influence your final decisions, a comprehensive list of frequently asked questions and answers is included here:

Middle/HS	Grades (6-12)	PTC FAQ's	Middle/HS FAQ's
