Dear Skaneateles family,

This morning we were contacted by the Onondaga County Health Department and informed that a high school student tested positive for COVID-19 and has been placed on mandatory quarantine. At this time, we understand contact to be limited in that the student has not been present in school. This message is intended to be informational only and we expect no disruption to operations district-wide.

Thank you for all you are doing to keep your family and our community safe as we continue to navigate these challenges.

Stronger together,

Eric Knuth
Superintendent of Schools
