1/22/2021

Dear Skaneateles family,

We are so pleased to see our halls full of children once again this week. While we are elated to have returned from remote instruction, COVID-19 is still very much a concern in our school community. This week we were notified of two additional COVID-19 positive individuals at our High School. This resulted in a total of five individuals being placed into precautionary quarantine. Thank you as always for understanding that privacy restrictions limit what information we are able to share.

Thankfully we saw the beginning of a plateau in the number of infections across Onondaga County this week but access to the vaccine remains limited throughout the region. We will continue to partner with Onondaga County to provide testing opportunities as they become available. We performed over 100 tests on Wednesday of this week with no positive results reported.

Thank you for all you have endured at home and for your continued commitment to keeping our school and community safe.

Stronger together,

Eric Knuth
Superintendent of Schools
