

# Kids Helping Kids

**Mission Statement:** "Kids Helping Kids" is a Skaneateles Middle School student funded organization that gives students an opportunity to help other students in the Middle School. The purpose of this organization is to help students recognize a need in their community and assist in donating goods and/or services to other Skaneateles students demonstrating such needs. The mission of "Kids Helping Kids" is to enhance the character education program of Skaneateles Middle School and to provide students with an opportunity to achieve a moral focus by assisting their peers.
