Dear Skaneateles family,

We are pleased to offer another COVID-19 testing opportunity to the entire community this Wednesday, April 21, 2021, between 1:00 pm and 4:00 pm. We will once again be set up at the district office.

This opportunity is open to anyone in our community who wishes to receive a rapid nasal swab test and is provided for asymptomatic individuals only. Registrations are on a first come-first served basis.

**Date:** 04/21/2021

**Location:** 45 East Elizabeth Street, Skaneateles NY 13152

**Time:** 1:00 pm-4:00 pm

**Type of Test:** Rapid, Nasal Swab (less invasive)

**Who can register?** Anyone in the community (not limited to school personnel) Asymptomatic only

**How do I register?** [Register here for testing](#)

We have been encouraged by the low number of positive cases identified in our weekly testing clinics. Please continue testing as the county is providing this important service to our community based on participation. Thank you for your commitment as we see this through.

Stronger together,

Eric Knuth  
Superintendent of Schools
