Local Exams

Monday, June 17, 2019

- Last Day of Classes
- Commencement Rehearsal
8:45 AM in the High School Auditorium
Laker Walk to follow

Sunday, June 23, 2019

Commencement 1:00 PM at Clift Park

On behalf of Mr. Major and myself, I would like to extend my sincerest thanks and congratulate each and every student for their hard work and many accomplishments throughout this school year! We wish our seniors the best of luck in their next endeavors and look forward to seeing our returning students next year!

The Laker Way

Authentic and Rigorous Learning Experiences

We continually strive to provide interactive learning experiences that give our students opportunities to engage in critical thinking and problem solving. When students' learning is connected to context, they become eager learners ready to apply their knowledge in authentic ways. Through the use of research, creativity, innovation, communication and collaboration, students master the skills needed to solve real world problems no matter what pathways they choose. We want our structures, including our curriculum and assessments, course offerings, resources and schedules, to reflect the value we place on these skills.

Our teachers learn from each other through cross-disciplinary observations in order to compare and contrast their own instructional practices with those of other teachers. The result is a culture of collaboration and a focus on quality teaching and connected learning. The exposure to different teaching styles helps teachers to work smarter and adapt instructional practices to meet the needs of all students.

Please encourage your child to visit the counseling center early and often to discuss their interests and develop a customized high school coursework plan with his or her counselor.

We are pleased to have the opportunity to serve and work with your children.

End of Year Reminders

- Each year many items are left behind in students' lockers. We see a large amount of clothing, books, folders, calculators, iPods and other valuable items. Please encourage your child to bring a box or bag to school with them during locker clean out days June 13th-14th and ask them to remove *all* items from their lockers.
- If your child owes lunch money, books, sports uniforms or any other item belonging to the district, you will receive a letter requesting the return of that item.

DRESS

Let us take pride in ourselves and in our appearance. Students are expected to develop habits of neatness and proper dress for school at all times, including examination days. A student whose dress is judged to be dangerous, indecent, unhealthy, or distracting will be asked to change. Hats are not to be worn in the classroom. Based on these criteria, the following are examples of attire that are NOT acceptable:

- Short shorts/skirts.
- Tops with very narrow straps or strapless, low-cut, halter, midriff/cutoff, etc...
- Costumes and/or masks (other than at approved functions).
- T-shirts, hats, or other clothing with inappropriate or suggestive slogans.
- Pants/tops that reveal underwear.
- Inappropriate jewelry or other items i.e. chains, etc... that could be harmful to others.

Students not following the above criteria will be asked to remove or change the article of clothing. Students who fail to comply or are repeat offenders are subject to disciplinary action.

THE LAKER WAY

We give 110% in all we do ... In the classroom, on the fields, on the stage, in the community.

We teach, learn, coach, guide, support, lead and care the Laker Way, 110%.

The Laker Way is not just some of the time, it is all the time.

WHAT IS YOUR EXTRA TEN PERCENT?
