

Welcome to the Skaneateles High School website! We believe that our mission is to ensure that each of our graduates are not only eligible for post-secondary pathways including college and career, but are **READY**. We are committed to engage in the **READINESS** of our students across the six dimensions of Wellness; Intellectual, Physical, Social, Emotional, Personal and Occupational. We also believe that when employees feel well, they directly contribute to the wellness of our students, not just through improved job performance, but also through positive role-modeling of healthy behaviors.

We provide a challenging and engaging curriculum, as well as a broad program of co-curricular activities. Through academics, student activities, and athletics we strive to provide all students with multiple opportunities to develop abilities, express talents, exercise responsibility, and value learning.

Please utilize this website to gain information related to our school and programs. As a reminder, the high school main office is open Monday-Friday from 7:30 AM to 4:00 PM. Let us support you with any inquiries pertaining to the success of your child.

Sincerely,
Gregory Santoro, Principal
