

Dear Friend,

My name is Mrs. McKee, and I am going to be your kindergarten teacher at Waterman Primary School. I am so happy to have you in my class!

Even though I am having a fantastic summer with my husband and my kitten, I am very excited for school to begin because I know that we will have a great time together, too!

In kindergarten, you will make new friends and meet new people. You will do many fun activities like painting, reading writing, telling stories, singing songs and playing with friends.

I can't wait to meet you and your parents at the Kindergarten (Bus) Visitation Day on Tuesday, August 30<sup>th</sup>. I hope you are as excited as I am!

Enjoy the rest of your summer and I will see you soon!

Love,

Mrs. McKee
