

NOTE TO SCHOOLS/LEAS: Please assist students and families filling out this form. The form should be included at the top page of registration materials that the district shares with families. Do not simply include this form in the registration packet, because if the student qualifies as residing in temporary housing, the student is not required to submit proof of residency and other required documents that may be part of the registration packet.

Students who are protected under the McKinney-Vento Act are entitled to immediate enrollment in school even if they don't have the documents normally needed, such as proof of residency, school records, immunization records, or birth certificate. Students who are protected under the McKinney-Vento Act may also be entitled to free transportation and other services.

If **ANY** box other than "In Permanent Housing" is checked, then the student/family should be immediately referred to the MV Liaison. In such cases, proof of residency and other documents normally needed for enrollment are not required and the student is to be immediately enrolled. After the student has been enrolled, the district/school must contact the previous district/school attended to request the student's educational records, including immunization records, and the enrolling district's LEA liaison must help the student get any other necessary documents or immunizations.

NOTE TO SCHOOLS/LEAS: If the student is **NOT** living in permanent housing, please ensure that a Designation Form is completed.
