April 6, 2020

Dear Skaneateles Families, Faculty and Staff:

Today, at his daily press conference, Governor Cuomo announced the continuation and extension of school closures throughout New York State. In order to further promote the need for social distancing, all school property will remain closed through April 29th, 2020. Governor Cuomo will assess the conditions at that time to determine if any additional extension of the closures is needed. We are all looking forward to returning to school, once it is deemed safe to do so.

Also today, during the meeting of the NYS Board of Regents, Chancellor Rosa announced that the June Regents Exams are cancelled. Additional guidance on this matter will be released tomorrow. I hope to be sending out additional updates on the Regents and our current 2020 -2021 School Budget development process later this week.

All other initiatives that have been put in place by the district will continue as outlined in previous letters. I recognize the added stress the COVID-19 situation has placed on every aspect of our families and community lives. I thank you for your continued support during this very difficult and challenging time. May you, your family and friends remain healthy.

All the best,

Dr. Jeffrey K. Bryant
Interim Superintendent of Schools
