October 16, 2020

Dear Skaneateles family,

Late this afternoon we learned that a bus driver tested positive for COVID-19. At this time, we know this individual worked only Tuesday 10/13 driving to and from Cayuga-Onondaga BOCES. Ten individuals have been identified as passengers on that bus and will be contacted by either Cayuga County or Onondaga County Health Department contact tracers. In addition, each of the 10 individual passengers on that bus will be contacted by the building principal so they know what to expect from the health department and can plan for the coming week.

At present, we have no cause to delay or change to remote instruction on Monday 10/19. Unless further information is provided over the weekend by the local health departments, we will resume our normal schedule on Monday.

We understand and share your concern as we navigate these challenges together and as always I will continue to share updated information as we learn more.

Thank you and have a safe weekend.

Stronger together,

Eric Knuth  
Superintendent of Schools
