Dear Skaneateles family,

We are reaching out to solicit community participation in planning for two grants made available to our district via the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) and the American Rescue Plan (ARP). These grants combined will bring in over one million dollars in federal funds over the next four years and provide a unique opportunity to address specific student needs we are seeing in our school community.

To that end, we need your help and will be holding two community forums to share information about how these funds can be spent and to seek community input in targeting support for our students over the next four years. Parents, faculty and staff are invited to attend. The details of our two upcoming meetings are as follows:

Tuesday, June 1	4:00-5:00 PM	HS/MS Cafeteria
Tuesday, June 8	8:00-9:00 AM	District offices

Thank you for your continued partnership and participation.

Stronger together,

Eric Knuth
