School Reopening Plan Updates Updated September, 2021

Mask/Face Coverings Indoors	Universal masking for all individuals regardless of vaccination status at all schools except during mask break and meals. Continue to adhere to guidance from higher authorities.
Mask/Face Coverings Outdoors	The district does not require masks outdoors but encourages social distancing with applicable.
Social Distancing	Follow CDC guidance which currently recommends 3 feet of social distancing when masked and 6 feet during mask breaks and meals.
Contact Tracing	This is completed in conjunction with Onondaga and Cayuga counties.
Communication	Parent Square via email, select phone calls for those without email, letters, in-person meetings, etc.
Testing	For all unvaccinated individuals it is required to submit to weekly testing in an effort to mitigate the spread of the virus.
Facilities	No change.
Cleaning and Disinfecting	No change.
Public use of space	Currently the district is not allowing public use of our indoor facilities to help mitigate the spread of the virus. We will continue to monitor spread levels and open our buildings back up when possible.
Student and Staff Drop off and Pick up	No change.
Child Nutrition	Meals in cafeteria or in other areas if space is limited to adhere to social distancing guidelines.
Transportation	Masks must be worn on all transportation vehicles to allow the district to increase bus capacity and adhere to federal mandates. There is also no eating permitted on vehicles/buses.
School Schedules	The district is currently operating fully in-person 5 days a week for instruction.
Emergency drills	No change.

Health and Safety	We will continue to monitor and track positivity rates while balancing the maximum amount of in-person instruction with student health and safety. The district no longer requires temperature checks upon arrival to school.
Fiscal Stewardship	Continue to find savings within budget areas to allocate funds for ongoing and unfunded mandates.
