

Skaneateles Central Schools

'Excellence in Education'

A REPORT TO COLLEGES — 2022-2023 PROFILE

This brochure has been prepared to assist Admissions Offices in evaluating the credentials of graduates of Skaneateles High School.

COMMUNITY: The Skaneateles Central School District is centered on Skaneateles Lake, often referred to as "the jewel of the Finger Lakes." The district includes the historic Village of Skaneateles and several townships nestled throughout the rolling hills. The district's most important natural asset, however, is a highly engaged and educated community of people who support education, the arts, athletics, and a thriving education foundation (Skaneateles Education Foundation). As a result, Skaneateles students embrace learning from kindergarten through graduation. About 18 miles southwest of Syracuse, the school district has close to 1,200 students (and about 8,900 residents – 2,700 in the village).

SCHOOL: The high school's 448 students are academically competitive and high performing, as well as community-service oriented. Nationally recognized for excellence, the high school offers a wide range of curricula with approximately one hundred courses, ranging from Regents level to more rigorous Honors, College Level, and AP classes in all major academic areas.

ACCREDITATION AND AWARDS: 2018 National Blue Ribbon School of Excellence (United States Department of Education); New York State Board of Regents; Washington Post- Most Challenging High Schools in the Nation (2014); Governors Award for Excellence; The University of the State of New York Education Department Reward School 2014; Washington Press, America's Most Challenging High Schools 2015; Best High School, US News and World Report Gold 2015

GRADUATION OUTCOMES: 1) Effective Communicators 2) Effective Goal Achievers 3) Critical and Creative Thinkers 4) Collaborative Contributors 5) Quality Producers

CURRICULUM: A more detailed description of courses is available in the Skaneateles High School Program of Studies Guide which can be found on our website.

SPECIAL PROGRAMS: *Advanced Placement (AP):* English Composition and Literature, English Composition and Language, Calculus AB, Statistics, Physics 1, Physics 2, World History, US History, European History, Spanish, Latin, Biology and Environmental Science

Onondaga Community College: English Composition and Literature, Pre-Calculus (beginning 2022-2023 school year seniors), Business 101, Mathematics of Business & Finance

SUNY Oswego: French, Spanish

Rochester Institute of Technology (Project Lead The Way): Design and Drawing for Production, Computer Integrated Manufacturing, Digital Electronics, Principles of Engineering, Engineering Design and Development

Honors Courses: English (9, 10), Science (Biology and Chemistry), Math (Geometry, Algebra II), Pre-Calculus (Pre-Calculus taken prior to 2022-2023 school year)

WEIGHTING AND RANKING:

Using a three-tiered weighting system, we will report a weighted GPA along with an unweighted GPA on the high school transcript. However, we do not report rank in class for our students. The decision not to report rank is based on both extensive research and the fact that we do not think rank is in the best interest of all of our students, considering the highly competitive nature of our high school. Our goal is to encourage our students to focus on taking the most rigorous courses that fit their specific academic needs and college goals, and to continue to foster an environment that encourages a lifelong love of learning.

Weighting System: High School or Regents Level 1.0
Honors 1.03
AP and College Level Core Courses 1.05

GRADE POINT AVERAGE:

All credit-bearing courses are included in the GPA calculation. An unweighted GPA is calculated for each student at the end of their junior year. The GPA distribution seems to be a fair means of determining a student's standing in his/her class, given our school's competitiveness.

GPA Grade Distribution for the Class of 2022

GPA (Unweighted)	# of students	GPA (Weighted)	# of students
97-100	12	97-102	30
93-96	37	93-96	25
90-92	19	90-92	19
87-89	17	87-89	13
83-86	11	83-86	10
80-82	8	80-82	9
77-79	5	77-79	3
73-76	2	73-76	2
70-72	1	70-72	1
65-69	5	65-69	5
Below 65	0	Below 65	0
