

## 2024 Senior parents: Important dates for the yearbook!

As you know, this is an exciting year for your graduating senior! Below, please find important deadlines and dates for the 2024 yearbook.

Please see the attached letter regarding Senior portraits.

### Important dates:

**September TBA** - Student photos will be taken at school by Jostens during English classes. If you are not having a professional senior portrait taken, you can have your child dress for school photos and submit that image for your senior portrait.

HS Picture day is September 21 and re-take is October 26

**November 3** - Senior portraits must be submitted to Mrs. McConochy via email under the heading "Senior portrait: student name." For more information on the criteria for senior portraits (and possible photographers), please see the Yearbook link on our high school website.

**November 3** - Senior quotes must be submitted to Mrs. McConochy via email or in person. The forms will be handed out in school one week prior to the deadline. Students may pick these up in room 218 (Mr. Chapman and Mrs. McConochy will have the forms available in their 12th grade English classrooms). If you'd like to get a jump start, the maximum length for the quote is 20 words due to limited space.

**November 17** - Senior baby pictures must be submitted to Mrs. McConochy. These are pictures of your child as a toddler or infant. These are often a surprise for the student.

**November 17** - Senior childhood friends and family photos must be submitted to Mrs. McConochy. This is a picture of your senior posing with childhood friends or siblings (typically infants, toddlers, pre school or kindergarten age). Friends and siblings must be current or former Lakers (from the Skaneateles School District). These are often a fun surprise for students, their friends and siblings.

**End of January** - Senior Ads are due to Jostens Ad Dept. These PDA Ads are created by senior parents for their child and can be purchased as a 1/8 page to FULL page ad in prices ranging from \$60- \$300. There will be information sent out in January.

\*Additional emails will be sent out regarding purchasing a 2024 yearbook.

Thank you and wishing you a great year!

Aisha McConochy Dan Mulroy, Yearbook Advisors
