- Our new college and career exploration tool
- Students complete interest inventories throughout high school (9th graders completed Principles You character assessment this year)
- All students have a login!!

The screenshot displays the SCOIR website interface. At the top, there is a navigation bar with the SCOIR logo, a search bar for careers, and several utility icons: Home, Discover, My Colleges, Inbox, a profile icon, and an 'Apply with Scoir' button. The main content area is personalized for a user named 'Freddy' and features a 'Good Morning, Freddy!' greeting. Below the greeting are three primary action cards: 1) 'Find Your College Match Quiz' with a 'Start Quiz' button; 2) 'Discover best fit careers for you' with a 'Take Career Assessment' button; and 3) 'Apply with Scoir' with a 'Learn More' link. A secondary section titled 'View College Messages' includes a 'Get mail from the colleges you like' notification and a 'Your Application Deadlines & Registered Visits' section. The interface is clean, modern, and uses a light blue color palette.
