

# Skaneateles Central School District

## Summer Camp Catalog

Registration will open at 9:00 a.m. on Monday, March 23 at [www.skanschools.org](http://www.skanschools.org).

Registration will close and payments are due on Friday, June 19.

Requests for need-based financial assistance will be considered on an individual basis.

### STEM Camps

<b>Candy Factory STEM Camp (Gr. 1-3)</b>	Mon, 7/13 - Fri, 7/17 from 9:00 - 11:30 a.m. or Mon, 7/20 - Fri, 7/24 from 9:00 - 11:30 a.m.
Students entering grades 1 – 3 in the fall	Waterman Primary School
<i>Step into a world of wonder at our Candy Factory STEM Camp! Your little scientist will turn favorite treats into "Confectionery Lab" experiments, from engineering marshmallow skyscrapers to mastering the chemistry of color with Skittle art. Each day features hands-on challenges like building "Candy Delivery Machines" and exploring the physics of instant-freeze slushies. It's a messy, colorful, and deliciously educational week designed to spark a lifelong love of discovery. Grab your golden ticket and sign up today!</i>	
<i>Both sessions of this camp are identical. Please sign-up for only one of them.</i>	
Teacher: Olivia Randolph	Cost: \$110
<b>Coding Spy Camp (Gr. 1-3)</b>	Mon, 7/27 - Fri, 7/31 from 9:00 - 11:30 a.m.
Students entering grades 1 – 3 in the fall	Waterman Primary School
<i>Unleash your inner secret agent at our Coding Spy Camp! Campers will master "unplugged" coding to navigate top-secret obstacle courses and use logic to crack mysterious binary codes. From building high-tech spy gadgets to sending invisible ink messages, junior recruits will develop critical problem-solving skills through immersive missions, including coding robots. It's a week of mystery, teamwork, and high-stakes STEM fun – mission starts this summer!</i>	
Teacher: Olivia Randolph	Cost: \$110
<b>Go Green: Engineering Recycled Racers (Gr. 4-6)</b>	Mon, 7/13 - Fri, 7/17 from 9:00 - 11:30 a.m.
Students entering grades 4 – 6 in the fall	Waterman Primary School
<i>India and Jacob, a fictional world-traveling brother and sister duo, visit Senegal, where they learn about creative reuse and recycling. India and Jacob guide kids through the engineering activities as they consider items that would ordinarily be discarded and use them to engineer their own toy cars. Kids test and improve their designs to get them ready to compete in the Recycled Racer Rally.</i>	
Teacher: Erin Brown	Cost: \$110

<b>Coding &amp; Robotics Camp (Gr. 4-6)</b>	Mon, 7/6 - Fri, 7/10 from 9:00 - 11:30 a.m.
Students entering grades 4 – 6 in the fall	Waterman Primary School
<i>Join us for a hands-on adventure where you don't just use technology – you create it! From using tools like Code.org and VEX Robotics to discovering the "brain" behind the machines and learning how to build the tech that shapes our planet. Students will build their own apps with Bitsbox, where they will go from "drag-and-drop" beginner to a real-life coder. We'll dive into Scratch, conquer unplugged challenges, and see how hardware and software team up to change the world.</i>	
Teacher: Chrissy Brown	Cost: \$110

## Arts & Humanities Camps

<b>ART Camp – Exploring and Creating (Gr. 4 – 6)</b>	Mon, 7/27 - Fri, 7/31 from 9:00 - 11:30 a.m.
Students entering grades 4 – 6 in the fall	Waterman Primary School
<i>We will have fun exploring and creating art with a variety of materials and techniques. Each day we will create something new. Students will be able to take all of their creative artwork home by the end of the camp. These camps are an excellent opportunity for students to explore, collaborate, and learn with friends!</i>	
Teacher: Chelsea Hamilton	Cost: \$110

<b>Spanish Camp (Gr. 1-6)</b>	Mon, 7/6 - Fri, 7/10 from 9:00 - 11:30 a.m.
Students entering grades 1 – 6 in the fall	Waterman Primary School
<i>Research shows that children have an innate ability to acquire multiple languages, and learning a new language provides a wide range of <a href="#">benefits</a>. During this camp, students will be immersed in Spanish language and culture. Each day we will focus on a different topic such as food, music, and sports. Vocabulary and grammatical structures will be presented through a variety of fun, communicative activities, including: songs, rhymes, skits, stories, games, crafts, and hands on activities. Students will be led in guided practice and have numerous opportunities to practice Spanish.</i>	
Teacher: Kate Webster	Cost: \$110

<b>Latin Camp (Gr. 1-6)</b>	Mon, 7/20 - Fri, 7/24 from 9:00 - 11:30 a.m.
Students entering grades 1 – 6 in the fall	Waterman Primary School
<i>Research shows that children have an innate ability to acquire multiple languages, and learning a new language provides a wide range of <a href="#">benefits</a>. During this camp, students will be immersed in Latin and ancient Roman culture. Each day we will focus on a different topic such as numbers, colors, animals, and mythology. Vocabulary and grammatical structures will be presented through a variety of fun, communicative activities, including: songs, rhymes, skits, stories, games, crafts, and hands on activities. Students will be led in guided practice and have numerous opportunities to practice Latin.</i>	
Teacher: Alexandra Hensel	Cost: \$110
